New council homes – Middleton, LS14.

Leeds City Council are delighted to offer 100 new council homes in Middleton, near Throstle Rec. They will include a mixture of 2-, 3- and 4-bedroom houses.

These homes are to be advertised in phases on the Leeds Homes Website, phase 4 is due in August 2022.

The New Build Lettings Policy will apply to these homes which means, preference will be given to applicants in the following order:

1. Leeds City Council tenants living in the ward,
2. Local Connection to the ward area by means of living in, working in, attending education in, or having close family living in the ward,
3. All applicants.

All applicants will need to demonstrate an excellent tenancy record. We will consider an applicant's rent payment history, issues of anti-social behaviour and overall tenancy record. References will be requested from Housing Associations or private Landlords. (5 years history will be considered).

50% of properties will be shortlisted in Priority Need order and 50% of properties will be shortlisted in Date of Registration on the housing register order.

Some of these homes are wheelchair accessible therefore suitable for families, older people and people who are disabled.

Each property features:

- Entrance lobby
- Downstairs WC
- Houses - overhead bath shower
- Air Source heating system
- Modern kitchen compatible with electric
- Enclosed rear garden with garden shed
- Built to secure by design principles
